OMA-Boucherie Font Sample

Thank you for downloading a sample of our Boucherie Font.

Boucherie is a friendly, fluid font. It's upright nature also makes it a good selection for monogramming. Comes in 10 different machine formats, in addition to the bx format for Embrilliance users.

License for the embroidery trade purchased.

Size of letters: Height and width vary depending on the letter involved.

> **The capital A = 0.60" tall and 0.67" wide; stitch count: 434**
>
> **Lower case a = 0.30" tall and 0.36" wide; stitch count: 198**
>
> *** * ***

Are you finding that importing each letter of the font is tedious? There is a simpler way to do this – and it's free. Read about the Embrilliance program here:

http://www.omasplace.com/embrilliance-embroidery-software/

The Embrilliance program will allow keyboard entry, is very userfriendly and we think you will like it.
