

OMA-PaulineFont ¾" Sample

The word "Pauline" is displayed in a blue, bubbly, 3D-style font. The letters are thick and have a slight shadow, giving them a three-dimensional appearance. The font is playful and rounded.

This is a sample of Oma's Place's ¾" Pauline font to allow you to test the quality of this font.

Perfect for personalizing your embroidery projects, the Pauline font stands at ¾" tall and is digitized to the nearest point. This means that each letter starts on the left and ends on the right.

See it being used with our Girly linen set here:
