

OMA - Madre Redwork Font **(Sample)**

Madre

You have downloaded a sample from our Madre Redwork font.

This font was designed with greeting cards and large labels in mind. It stands about 0.40" tall and is a clear, clean looking font. Every attempt has been made to have each letter start on the left and end on the right. However, there are some letters where this was not possible resulting in some but not many jumps between letters.

Comes in 10 different machine formats as well as in the bx format for Embrilliance Express users.
